

BUSINESS INTEGRATION ANNOUNCEMENT – SD BIOSENSOR

December 17, 2020

To our valued and respected clients:

We are pleased to announce that effective Jan 1st, 2021, the Clinical Diagnostic Division of Science Valley will be integrating with NEOSCIENCE.

This is a very exciting event for both companies, for our employees and our clients. To move forward, NEOSCIENCE will be partnering with global leading IVD company SD BIOSENSOR Inc, significantly strengthen and grow NEOSCIENCE's medical diagnostics presence and leadership in the market.

With SD BIOSENSOR as our partner, NEOSCIENCE will offer the broadest range of IVD in Rapid Diagnostics Tests (RDT), Fluorescent Immunoassay (FIA) and ELISA Test. Our IVD portfolio will continue to expand to POCT Molecular Diagnostics through the continuous technological innovations with SD BIOSENSOR.

We are forging a new NEOSCIENCE company with the vision of empowering medical diagnostics and life science research in Malaysia through the application of advanced technologies. We are partnering with world-class, reputable brands who are reliable and provide innovative solutions to meet our clients' needs in our current fast moving, ever-changing medical diagnostic and life science market.

We aspired to be the Preferred and Referred Partner for our clients through our exceptional ability in mastering the sciences and technologies behind Molecular Diagnostics, Clinical Diagnostics, Life Science and Big Biodata Management. We are confident and proud of every products and services that we provide; and our number one priority had always been to achieve a world-class customer experience and satisfaction.
