

New Strategic Partnership Announcement

We are proud to announce that we have entered into a strategic agreement with GeneAll Biotechnology Co., Ltd., an industry leader in the field of DNA/RNA sample collection with nearly 100 products for a wide range of samples .

Effectively from April 2022, **Neoscience Sdn. Bhd.** will be partnering with GeneAll's as **exclusive distributor** in Malaysia for wide range of products including extraction kits, chemicals, enzymes, ladders, automated extraction system and more.

Along with this announcement we're happy to share that we are currently running **Trial Kit Program** as our partnering celebration ! Should you need any of the trial products in your lab experiment please do not hesitate to reach us to know more about the program details.

~Always With You~
